

RBS PROJECTS LTD.

YOUR SUCCESSFUL PROJECTS ARE OUR MISSION

ABOUT RBS Projects Ltd

RBS Projects Ltd. was founded by Mr. Shay Shargal and is one of Israel's premier project management consulting firms.

Based on its 3 decades of hands-on global experience, RBS Projects Ltd. offers its clients professional excellence and personal attention across the spectrum of project management. Among its services are: projects management execution, consulting, outsourcing and training, focusing on the assimilation of processes and professional project management tools and techniques.

RBS Projects Ltd. supports the top management of organizations, including Fortune 500 firms, in consolidating and implementing their business strategies through improving bottom-line business performance, building long-term excellence infrastructure and raising companies' value.

RBS Projects Ltd. is a certified Registered Education Provider (REP # 3048) by the PMI

SOLUTIONS

Among our solution are: projects management execution, consulting, outsourcing and training, focusing on the assimilation of processes and professional project management tools and techniques.

Consulting: RBS Projects Ltd. assists companies in planning, monitoring and controlling of projects, programs and portfolio management. This service includes development of comprehensive processes, methodologies and information systems for managing their business, in accordance with the leading international standards for project management, such as PMBOK®, PRINCE2® and CMMI®.

Project Management Execution: Professional and experienced project management resources, such as Project Managers, PMOs and SMEs will successfully perform the work for you.

Training: RBS Projects Ltd. have a range of training workshops, which we tailor to our specific customers' needs and expectations:

1. Project Management (Fundamentals, Advanced and PMP® Certification).
2. Portfolio and Program Management (PgMP®) for senior PMs.
3. Agile workshops.
4. Manager's interpersonal skills.
5. Risks and opportunities Management workshops.
